

LED Series - High Bay Aluminium Reflector

Product Specification

Lamp	: Integrated AC LED Solution Acrich3 SMJQ
Coke Box	: Mild Steel
Reflector	: High Purity Anodized Aluminium Reflector
Finishing	: Powder Coating
Colour	: Silver

Light Distribution Curve

Benefits

- The modules have a high power factor which can contribute to a higher energy savings in the end application
- Low THD*
- The lamp certified RoHS, free of hazardous materials
